This comprehensive map includes detailed information intended to make your hiking or riding experience much more enjoyable. By taking a moment to familiarize yourself with the details in this map, you will be able to plan and customize your trail excursion with greater accuracy. Our goal in developing this map was to ensure that all trail users, from beginning riders to experienced and conditioned trail runners, can enjoy the Tahoe Donner trail system to the fullest. Please remember to carry and drink plenty of water, use sunscreen, and respect the trails.
